DESPERATE DILEMMA.

Five Team Owners Must Haul For
Boycotted Stores

OR LOSE PATRONAGE.

"Unions Have Extended the Strike
and We Will Simply Go Them
One Better and Extend It
Ourselves if Necessary."

Chicago, May 2.—The outcome of the move to bring the teamsters' conflict to a crisis was eagerly awaited Tuesday by employers and unionists. The Employers' association had delivered an ultimatum to five leading team owners that they must make deliveries to the department stores as they have been doing in the past. The answer of the teaming contractors, who proposed to meet and take up the matter, was anxiously looked forward to. The team owners quite making deliveries to the department stores when the teamsters entered upon the strike. The team owners were informed that they must either deliver freight to the boycotted stores or lose their business permanently. To deliver the goods as demanded would cause a spread of the strike to 5000 more drivers. The employers seemed determined to force the fight. One of them said: "The unions have extended the strike and we will simply go them one better and extend it ourselves if necessary. There's no use drifting along on the defensive."

Among many detachments of incoming "strike breakers" who arrived Tuesday the largest single body perhaps came on a Michigan Central train from Detroit, Mich. They numbered seventy-five and were escorted by heavy guards of police through the streets.

The cords of union pickets stationed on the curbing in State street and Wabash avenue have been supplemented greatly in numbers, with the result that, in spite of the vigilance of the police, carriages and hacks are stopped and drivers and their fares warned against attempting to carry purchases home from the boycotted stores.

Store employees burdened with bundles are stopped and their parcels taken from them and torn open and searched by the pickets and union sympathizers to see if they are attempting to deliver goods to customers or carrying their own property to their homes. After assuring the pickets that the contents of the bundles belong to them they are not disturbed further.

In one instance a hired carriage was stopped in Wabash avenue and the occupant, a woman shopper, compelled to get out and walk. Another woman with both arms full of bundles was caught by the skirts and stopped as she was about to step into a cab in State street. The cab driver was warned not to take her as a fare. Undaunted, the shopper walked to another corner, where she hailed a second cab. Again she was stopped by the union sympathizers. Finally she boarded a street car.

Only a few hacks or cabs venture to drive up to the entrances to any of the State street stores. In most cases the drivers request their passengers to alight on the opposite side of the street and walk over to their destination.

With one exception, none of the State street stores attempted to make deliveries in the residential districts yesterday in the residential districts. Establishments' assurances were freely given that the wagons would start out-to-day. With few exceptions, the drivers generally refuse to carry passengers to a boycotted store.

The sidewalks and the surface and elevated cars are thronged with men, women and children carrying bundles of all sizes and descriptions.

One of the liveliest disturbances of Tuesday occurred within a block of the Auditorium hotel. Shooting was resorted to by colored non-union men at Harrison street and Wabash avenue. Three wagons formerly owned by the Edwin F. Daniels Coal company were being driven on South Wabash avenue. At Harrison street a large crowd gathered about the drivers and guards. Sticks, tilting, broken bottles and other missiles were thrown, many missiles striking the negroes. One colored guard named Carter whipped out a revolver and shot at Henry Schultz, who, it is alleged, was approaching Carter. The bullet struck Schultz in the left side. He ran a block before he fell. The crowd, thoroughly enraged at the action of the negro, quickly closed in upon the non-unionists and beat them fearfully. A riot call was sent in and seventy policemen under Inspector Lavin hurried to the scene and dispersed the crowd with vigor. Schultz was taken to a hospital. Carter was arrested. The bullet struck one of Schultz's ribs. He will recover. The shooting caused much excitement at the Auditorium. Women became hysterical and rushed back into the hotel. For a time all traffic on the Wabash Avenue Cable and Indiana Avenue Electric railway lines was at a standstill.

MANY SHOT IN BACK.

Nearly One Hundred Persons Killed
or Wounded.

UNPROVOKED DEEDS.

Workmen Were Celebrating May Day
In an Orderly Manner When a
Number of Soldiers Fired
Into Their Ranks.

Warsaw, May 2.—Nearly 100 persons were killed or wounded in disturbances in various quarters of this city Monday. First disturbances occurred in the afternoon, when a procession of several thousand workmen carrying red flags, marched along Zeleana street. The demonstration was quite orderly and proceeding without molestation for some distance. Suddenly several squadrons of Uhlans appeared, but without interfering with the procession and took up a position along the sidewalks while the workmen passed through the lines. The a company of infantry approached from the front and immediately the cavalry charged into the crowd, driving it with the flat of their swords into a disorganized mass. When the cavalry withdrew the infantry fired a volley, whereupon the demonstrators turned and fled. The infantry continued to discharge volleys into the retreating, shrieking multitudes. Thirty-one persons were killed, and many wounded, and of the latter, it is believed, fifteen will die.

The shooting is described as having been quite unprovoked. It has aroused the most intense indignation among all classes in Warsaw. Many of those who were killed or wounded were shot in the back, showing that they were running away when struck.

Another terrible scene was enacted at 5 o'clock at the corner of Ziota and Sosnowe streets, when workmen fired from behind a wall at a patrol which immediately opened fire on the passing crowds, killing or wounding twenty persons.

The first bomb throwing occurred at 9:35 o'clock Sunday night, when a bomb was thrown into a Cossack patrol near the Vlenn station. Three Cossacks and one policeman were killed and two women who were leaving the station at the time were severely wounded by the explosion of the bomb. Cossacks and infantry fired a number of volleys and it is reported that many persons were killed or wounded. Troops surrounded the whole neighborhood. It has been impossible up to the present time to secure accurate information as to the casualties of the affair.

DEATH BY DYNAMITE.

Foreman of Construction Company
Terribly Mutilated by Explosion.

Muskogee, I. T., May 1.—C. M. Monroe, aged twenty-three, foreman for the Phelps-Nisbett Construction company, was instantly killed by the explosion of a blast two miles south of the city. Twelve charges of dynamite had been put in a ditch which was being excavated. After everything was in readiness, a colored helper left the ditch. Monroe lighted the fuses and paused to inspect them, when the first explosion occurred, tearing off his left foot. Following this a second explosion tore off a portion of his left arm and the left side of his head.

Thirteen Destitute Widows.

Wilburton, I. T., May 2.—As a result of the miners being entombed in the McConnell mine thirteen widows are left almost destitute. One widow, Mrs. O. Golden, is but seventeen years old. She has a three-year-old child and an infant five weeks old. She is absolutely destitute.

Sponsor For Sons.

Ardmore, May 2—Miss Fay Burnitt of this city has been named as chief sponsor of the United Sons of Confederate Veterans for the Louisville reunion by Commander in Chief Tisdale.

NO MIDDLE GROUND.

Levy Says It Is Either Case of Deliberate Murder or Suicide.

New York, May 2—"This case is one of deliberate murder or suicide. There can be no manslaughter about it. There should be no compromise verdict. She is either guilty of murder in the first degree or not at all."

With these words, Abraham Levy, counsel for Nan Patterson brought to a close his five hour argument in defense of the former chorus girl, charged with the murder of Caesar Young.

The suicide theory was strictly emphasized by Mr. Levy, who contended that the powder stains on Young's fingers proved he had shot himself. Mr. Levy scouted the idea that a girl would be able to make such an assault upon a trained athlete like Young. He also ridiculed the idea that Miss Patterson should have chosen a crowded public street as a place for murder when she had so many opportunities to attack Young where there would have been little danger of detection.

WHITE FROST SANITARY Refrigerator

Cylindrical—a beautiful white, with polished nickel trimmings made entirely of metal, absolutely dry provision chamber; no air or moisture can pass from ice box to provision chamber.

Food and dainties never "taste of the ice box." Two revolving shelves that can be raised or lowered, giving any desired space. You turn them round bringing any article to you, without effort. You can remove shelves and turn the hose in the chamber, washing it out thoroughly.

Beautiful, clean, convenient, economical. It uses less ice than the square, awkward wooden box refrigerators. No corners for dirt to accumulate in. THE WHITE Frost Refrigerator is perfection.

ELECTRIC LINE IN HAMILTON COUNTY

To Run from Hamilton to Dublin and Later to Extend to Thurber.

Austin, Texas April 22.—Information has been received here of the signing of contracts for the construction of an interurban electric railway from Dublin, at the juncture of the Frisco and Texas Central Railroads in Erath county, to Hamilton in Hamilton county.

The Municipal Bond & Securities company of New York city, through its agent, Mr. Wright, signed the contract with the citizens of Hamilton who agreed to raise a bonus of \$20,000, to subscribe for \$10,000 worth of stock in the proposed road and to secure the right of way. The people of Hamilton propose to raise \$40,000 by popular subscription. A little over \$30,000 is already subscribed.

The projectors of this road also plan to extend it north to Thurber where it will connect with a spur of the Texas Pacific. They also plan to build south to Lampasas and thence to Llano. When the whole line is completed, it will be 150 miles in length. This road is a part of a general movement of building interurban electric roads now going on all over the state. This makes the fifth or sixth either projected or under process of construction.

We learn that the Michigan Central railroad has determined to break away from the private refrigerator car lines and will build their own cars for next season's use. Good. Now let other roads follow this good example. A strong committee from the Ozark strawberry growers is reported to have waited on the head of the refrigerator car line and declared that unless the rates and charges

were made less extortionate the growers of that region would abandon the growing of perishable fruits requiring refrigeration. These straws show in what direction the winds are blowing. The time will soon come when shippers of perishables will be protected against the exactions of these cormorant companies. There is strong evidence now at hand that the railroads are willing to repudiate the private car abuses. — Farm and Ranch.

HOW TO AVOID GERM DISEASES.

Strengthen the Stomach and Digestion, and You Will Keep Well.

When there is an epidemic of germ disease, and most diseases are caused by germs, it is the person with the weak stomach who succumbs first.

People with healthy digestion are ordinarily not subject to sickness, and can throw off readily any disease germs that enter the system.

Strengthen the stomach and digestive organs with a Mi-ona tablet before each meal, and every atom of food taken into the stomach will be digested and assimilated, and the whole digestive system made so healthy, clean and sweet that there will be no chance for disease germs to breed.

If you suffer with pains or distress after eating, headache, belching of gasses, sour food, a bad taste in the mouth, dizziness, pains in the heart, specks before the eyes, and a general feeling of despondency and weakness, you should get well at once by strengthening the stomach with Mi-ona. Just one small tablet out of a fifty cent box before eating, and your digestive system will become so strong that you will be the embodiment of good health and spirits, and need fear no germ diseases.

Ask E. J. Jenkins to show you the guarantee under which he sells Mi-ona; it costs nothing unless it cures.

FOR \$1.00 YOU MAY GET \$1000.00.

We sell fire, tornado, life, accident and health insurance.

For \$1.00 a year we issue \$1000.00 accident, paying a weekly indemnity of \$7.50.

For \$2.00 a year sick benefit policy paying \$10.00 a week.

For \$1.00 a month \$1000.00 accident and monthly indemnity of \$30.00.

And on renewals an increase of 10 per cent added to benefits.

For \$25.00 a year we issue a policy paying as high as \$11,000.00 death from accident, and from \$5.00 to \$55.00 a week indemnity for one hundred and four weeks.

CITY ORDINANCES.

AN ORDINANCE granting to W. P. Connelly, J. A. Myers, G. M. Brandon, J. R. Astin and J. W. Batts a franchise to build and operate an Electric Railroad in the City of Bryan:

Sec. 1. Be it ordained by the City Council of the City of Bryan that the said City of Bryan hereby grants to W. P. Connelly, J. A. Myers, G. M. Brandon, J. R. Astin and J. W. Batts to their heirs and assigns a franchise and right to use all the streets of the City of Bryan save and excepting from this franchise Dallas's street, for the purpose of building, maintaining and operating an electric railroad over and upon said streets, with full power and authority to lay down tracks to operate and run electric cars upon same for the transportation of passengers in and to any part of the City of Bryan and to and from the City of Bryan and the Agricultural and Mechanical College in Brazos County, and for the transportation and handling of freight to and from said City of Bryan and said College, and the said parties and their assigns are hereby granted full power to erect such stations and depots in the City of Bryan as may be necessary for the conducting of said electric railroad and the business thereof, and to cross and intersect all streets, including Dallas's street, provided said depots and stations are not erected on public streets in the said City of Bryan, and provided that the said electric cars and tracks of said electric railroad shall be operated and run upon Main street beginning at Jackson street, thence running south on Main street to no less a distance than Anderson street.

Section 2. This franchise is granted upon the condition that the said parties or their assigns shall begin work within six months from the granting of same, and shall have erected and have in operation within a period of one year from date of commencement of said work the said line of electric railroad over and on said streets or a portion thereof, and extending from the City of Bryan to the Agricultural and Mechanical College in said Brazos County. If said electric railroad is not in operation within the said time from the City of Bryan to said College, then this franchise will become null and void, and of no further force and effect, and the right to use any and all streets upon which said electric railroad is not constructed within the said one year shall be and is hereby forfeited and of no further force and effect.

Section 3. Upon fulfillment of the above mentioned conditions this franchise shall exist and be in force for a period of fifty years from this date.

Section 4. The said W. P. Connelly, J. A. Myers, G. M. Brandon, J. R. Astin and J. W. Batts are hereby authorized and empowered to sell, transfer and convey this franchise and the rights accruing thereunder to any other person, per-

sons, company or corporation and to make proper conveyance thereof, provided that the terms of the sale and transfer of this franchise shall be first submitted to the City Council of the City of Bryan for approval.

Section 5. The tracks of the electric railroad over and upon the streets of the City of Bryan shall be laid according to the grade of said streets, and vitrified brick shall be used between the tracks and for a distance of two feet on each side of the rail of said track on Main street in said City of Bryan.

Adopted by the city council of the city of Bryan April 26, 1905.

R. H. Harrison, Mayor,
C. M. Spell, City Secretary.

AN ORDINANCE granting to J. W. Batts, W. P. Connelly, G. M. Brandon, J. A. Myers and J. R. Astin and their assigns a franchise to erect and operate an Electric Light Plant, etc.

Section 1. Be it ordained by the City Council of the City of Bryan that the said City of Bryan hereby grants to the said franchise to the said parties or their assigns to operate an electric light plant, etc.

Section 2. In consideration of the said franchise, the said City of Bryan reserves the right to regulate the prices to be charged by said parties or their assigns to their customers and to the public for electric lights, this to include the rates for residences, stores and public places, and said parties or their assigns are hereby required to submit to the City Council of the City of Bryan for approval a schedule of all charges so fixed by them or their assigns, said City agreeing to allow said parties or their assigns to fix all reasonable prices, such as are charged for like service in other cities approximately the size of the City of Bryan and under similar conditions.

Section 3. Should said parties or their assigns fail or refuse to submit said charges to the said City Council for its approval, same shall operate as a forfeiture of its franchise and the same shall become null and void.

Section 4. The said J. W. Batts, W. P. Connelly, G. M. Brandon, J. A. Myers and J. R. Astin are hereby authorized and empowered to sell and convey to any person, persons, company or corporation the franchise and privileges herein granted to them, and to make proper conveyances of the same, providing, however, that such terms of the sale or transfer of said franchise shall be first submitted to the City Council of the City of Bryan for approval.

Section 5. The within franchise is only granted in connection with the electric railroad franchise from Bryan to College Station, and in no wise is either franchise independent of the other, and work shall begin within six months from the date of this franchise, and shall be completed within twelve months from the date of the commencement of said work.

Adopted by the city council of the City of Bryan April 26, 1905.

R. H. Harrison, Mayor.

C. M. Spell, City Secretary.

WAS REMEMBERED.

Anniversary of the Battle of the Yalu
Celebrated by Japan.

Fusan, May 2.—The anniversary of the battle of the Yalu was celebrated by General Kuroki's army Monday with spectacular fêtes. Soldiers representing all military organizations managed the decorative work with remarkable effect. The valley in which the headquarters is encamped was transformed into a park by utilizing streams, grass plots and hillsides for the reproduction of Japanese scenery. An altar with a tablet in memory of the army's dead was erected on the summit of a hill. Race tracks, theaters and a profusion of unique decorations were laid out on the plains. Horse racing, theatricals and wrestling were had.

Engineer Killed, Fireman Injured.

Ottumwa, Ia., May 2.—A Chicago, Milwaukee and St. Paul Southwest limited train west bound was wrecked here. Engineer Harry T. Dykes was killed and Fireman Claude F. Warren injured. The engine climbed a rail on a curve and two sleeping cars were derailed. No passengers were hurt.

Labor Day Observed.

Paris, May 2.—Labor day was observed throughout France. The trades unions of Paris held a monster meeting and adopted resolutions in favor of an eight-hour day. Disorderly manifestations occurred at Brest and St. Etienne, where the street cars were stopped, but no serious incidents are reported.

Yellow Fever Deaths.

Washington, May 2.—Governor Davis cables the war department from Panama that there were two yellow fever deaths in April. In January there were thirteen yellow fever cases; in February, 14; March, 14; April, 4.

MINOR MATTERS.

San Antonio has fifty-two Chinamen. Gold standard went into operation in Mexico May 1.

At Warsaw, Poland, Monday, a patrol killed a woman.

Ambushed by Yaqui Indians and either Killed or Captured.

El Paso, May 2.—Reliable reports have reached this city that a body of Mexican regulars had met and were defeated by a band of Yaquis in the southern portion of Sonora, near the Sinaloa line.

The fight occurred on a block of land owned by the Richardson brothers, Americans, and near the town of Potan, between Guaymas and Hermosillo. Nearly all of the Mexican troops were killed and the balance were captured.

ITALIAN AMBASSADOR'S VISIT.

Was Pleasantly Entertained at College and in Bryan Yesterday.

The special train bearing the Italian ambassador, Baron Mayer des Planches, and party, including Col. T. J. Anderson, Col. M. L. Robbins, Hon. R. D. Bowen, Judge W. W. Walling, Congressman Scott Field, State Health Officer Tabor, and Dr. S. A. Knapp, arrived at College about noon yesterday. The ambassador was met by the president, battalion and faculty of the college and escorted to the mess hall and thence to the drill ground where he witnessed battalion dress parade. Returning to the mess hall lunch was served and the ambassador was escorted back to the train and taken in charge by the Bryan committee.

The train arrived here at 1:37 p.m., and the Baron was immediately driven to the City National Bank corner, where the Italian people passed in review before him, he standing up in the carriage and bowing, waving his hat and calling out greetings to them. The next part of the program brought the crowd into the district court room, which was handsomely decorated, as reported in the Eagle yesterday morning, and filled to overflowing. Here Judge J. W. Doremus, chairman of the reception committee, made a brief, hearty and appropriate welcome address. The ambassador replied briefly in English and then spoke at more length to the assembled Italians. Response was made briefly to his remarks by J. M. Saladinier and M. Scardino. This concluded the public exercises, and after being presented to a number of ladies present, and later shaking hands with a number of his countrymen who pressed forward to meet him, the Baron was taken for a drive out into the country. He was shown the Italian farms in the Burton's prairie neighborhood, and then taken to Villa Maria Academy where he met the ladies and their pupils, and gave many expressions of the pleasure these opportunities gave him. Returning to town an informal reception was tendered the ambassador at the residence of Gen. H. B. Stoddard.

The special train left Bryan for Ennis at 5 o'clock.

He was much pleased with the evident thrift and prosperity of the Italians of this section, and was especially interested in the educational advantages they have in Texas.

The local committees did their work well and left nothing undone to make the day a pleasant one for the distinguished guest.

IN UGLY MOOD.

Strike Conditions at Chicago Monday Were Worse Than Ever.

Chicago, May 2.—Conditions in the teamsters' strike were worse Monday than at any preceding time. The strikers were in an ugly mood, the rioting was more open and vicious and the attacks on non-union men more frequent and daring than at any time since the commencement of the trouble. The increased belligerency on the parts of the strikers and their friends is laid chiefly to the fact that the Employers' Teamsters' Association Monday brought 1500 men into the city to take their places, and 500 more are said to be on the way. These men will receive full pay of union men, and it has been guaranteed to them that their positions will be permanent. Among them are 200 farmer boys from all the surrounding states who have volunteered their services and sought positions as drivers. A new feature has appeared in the strike, and it is in full evidence whenever a wagon of the Employers' Teamsters' Association goes through the streets. This feature is the Winchester rifle. It is carried on all wagons of the Employers' Teamsters' Association in open view. Chief of Police O'Neill holds that non-union men have a right to carry weapons in open view.

Four men were seriously hurt Monday during fights.

Will Hear Teamsters.

Glenwood Springs, Colo., May 2.—President Roosevelt has agreed to give the Chicago striking teamsters an opportunity to present their petition when he reaches that city on May 10. Word reached the president in his camp on West Divide creek that the strikers are prepared to ask him to use his influence in their behalf similar to the manner in which he adjusted the anarachic strike three years ago.

SEVENTH DISTRICT.

Five New Lodges and Nearly Seven Hundred Membership Gain.

Birmingham, Ala., May 2.—The thirtieth annual convention of grand lodge of District No. 7, comprising Alabama, Tennessee, Mississippi, Florida, Louisiana, Arkansas and Texas, Independent Order of B'nai B'Rith, met here Monday with a large attendance. Mayor Drennon welcomed the convention on behalf of the city, to which Charles L. Sawyer of Waco, Tex., responded. Joseph Lowinson spoke in behalf of the local lodge, to which Ike Schwartz of Selma, Ala., responded. President Joseph Beltman, in his annual report, showed a gain of 686 in membership, the organization of five new lodges and reorganization of six old ones.

Officers were elected for the ensuing year as follows: President, Lewis E. Mayer, Demopolis, Ala.; first vice president, Michael Mohr, Montgomery, Ala.; second vice president, J. M. Oppenheimer, San Antonio, Tex.; treasurer, Charles Rosen, New Orleans; secretary, Nathan Strauss, New Orleans; sergeant-at-arms, Charles T. Hoose, Memphis, Tenn.

FEUD RENEWED.

Dr. Freeman Was Killed and a Peacemaker Wounded.

Marked Tree, Ark., May 2.—The renewal of a family feud between Charles Boyt and Dr. J. A. K. Freeman at Jackson's Island has resulted in the death of Freeman and the wounding of Peter Schultz, a bystander, who intervened between the two men. Several years ago Freeman killed Boyt's brother, as the result of a quarrel over a woman. Freeman's death was brought about by a meeting between him and Charles Boyt, in which the old quarrel was taken up. Dr. Freeman, it is alleged, was advancing on Boyt with an open knife, when Schultz blocked his path. Freeman, it is said, then made a disparaging remark about Schultz's wife and stabbed Schultz in the shoulder. The latter drew a pistol and shot Freeman dead.

Schultz was acquitted Monday by the court of constables on the ground of self defense.

WHITECAP OUTRAGES.

Federal Grand Jury Investigating In One Mississippi County.

Jackson, May 2.—Federal grand jury convened Monday and went immediately to work investigating Franklin county whitecap outrages. Indictments by the wholesale, it is said, are expected. Allan J. Hoyt, the special detective employed by Governor Vardaman, submitted a large amount of documentary evidence to the grand jury and lists showing that the alleged whitecap organization contains more than 1000 members.

NEWS IN BRIEF.

LESS BLOODY.

Outside of Warsaw and Lodz, Rioting Not as Anticipated.

St. Petersburg, May 2.—Bad as was the shooting at Warsaw, Lodz and other places in Poland Monday, and venomous as was the hostility everywhere displayed against the police and Russian authorities, the uprising was far less formidable and the results not so bloody as anticipated. The authorities had given due warning of their intention to permit no demonstration and troops quelled the disturbances ruthlessly. All reports, however, indicate demonstrations were comparatively few in number, the vast bulk of the population, fearing trouble, remaining in doors. Where the trouble occurred the crowds were armed with bombs and revolvers. In Warsaw a red flag procession was dispersed by two volleys, the Cossacks and Uhans then

MEXICAN RECIPROCITY.

Concurrent Resolution to This End is Introduced in the Lower House.

Austin, May 2.—A concurrent resolution was introduced in the lower branch of the legislature Tuesday requesting the president of the United States to open negotiations with the treaty-making power of the republic of Mexico with a view of attaining a reciprocity treaty with that republic looking to encouragement of exportation of grain, grain products, blooded cattle, hogs and poultry to said republic. It went over until Wednesday.

The house spent the entire morning session in an effort to cut out an appropriation of \$2500 for miscellaneous items at the Confederate home in the general deficiency bill. The amendment to cut the item out was finally defeated.

By invitation, E. D. Smith, president of the South Carolina Cotton Growers' association, addressed the house on the organization of farmers throughout the south so that they can handle cotton production, thereby controlling the market.

The senate held a brief session, but transacted no business.

The committee appointed in the senate to make investigation of the attempted sale by a member of the legislature of stamps to local postoffice began work Tuesday. A meeting was held and several witnesses examined. Chairman Faulk of the committee stated that nothing tangible has thus far been obtained. He said that in the event it is a member of the house who is the person referred to the senate committee will take no action, but will let the house do so.

The governor vetoed the house bill authorizing counties and cities incorporated under the general laws to issue bonds for the purpose of raising funds for the payment of valid floating indebtedness. The governor holds there is no general demand for this character of legislation. He also disapproved house bill requiring railroad companies to construct switches and spur tracks. The governor objects to this bill because it compels railroads to construct switches and spur tracks on private property.

G. A. R. MEETS.

Twentieth Annual Encampment Held at the City of Dallas.

Dallas, May 2.—Colonel P. B. Hunt called the twentieth annual encampment of the Grand Army of the Republic, department of Texas, to order. Major Barry delivered an address of welcome on behalf of the city and D. E. Grove for the Commercial club. W. F. Conner responded. Department Commander Boyd delivered the annual address, which was of an interesting character.

According to reports which reached St. Petersburg from Kallisz, workmen there for a time had the upper hand of the police and gendarmes, disarming and stoning them until rescued by a squadron of cavalry.

Early reports Tuesday say the Polish press is intensely excited by Monday's bloodshed and it was feared trouble would be renewed.

The only place in European Russia where trouble occurred Monday was at Minsk, which, strictly speaking, belongs to Poland. There was also a report received here saying there was a bomb throwing and firing upon Cossacks and patriots from windows, but fatalities were low.

FORCED TO STRIKE.

Workmen Go From Factory to Factory and Make Comrades Quit Work.

Warsaw, May 2.—Workmen are going from factory to factory compelling comrades to strike and probability of further conflicts aroused the keenest apprehension Tuesday forenoon.

STRAWBERRY SALES.

Low Prices Causing Growers to Stop the Picking of Them.

Tyler, Tex., May 2.—The low price for strawberries, 50 cents per crate, is causing Smith county growers to quit the fields and the first estimate of loss to the crop by rains is being overreached.

The total loss in the past ten days will equal \$100,000. But one car left Monday, whereas had it not been for the rain twenty would have been shipped.

CONVICTS CONTRIBUTE.

Send Check to Assist in the Prosecution of Hottle.

Houston, May 2.—Sheriff Anderson received a check from the prisoners at Rusk penitentiary for \$47, with instructions that it be used in prosecuting Charles Hottle, under indictment for murdering J. L. Carter in the woods near Houston two weeks ago. At the same time John Dunlap was hit in the head but recovered. He testified that Hottle did the shooting to rot the victims. All three had been felonious prisoners in the Rusk penitentiary.

PAST YEAR'S WORK.

College of Bishops Convenes at Nashville to Review It.

Nashville, May 2.—The college of bishops of the Methodist Episcopal church, south, is in annual session at this city, with the following bishops present: Rev. A. W. Wilson, Baltimore, chairman; Rev. W. W. Duncan, Spartanburg, S. C.; Rev. C. B. Galloway, Jackson, Miss.; Rev. E. R. Hendricks, Kansas City; Rev. J. S. Key, Sherman, Tex.; Rev. W. A. Candler, Atlanta, secretary of the college; Rev. H. C. Morrison, New Orleans, and Rev. E. H. Ross, Dallas. Bishop A. Coke Smith of Norfolk, Va., is in the city, but is sick at the home of Dr. W.
